My virginity should have been priceless but the billionaire bought it for his pleasure.

It shouldn't have happened this way. Troy Black was a billionaire who didn't need to buy girls. But at the virgin auction, he bought me and suddenly I belonged to the alpha male.

He made it sweet for me though.

I wore his clothes.

Ate the best food.

And slept in a big, fluffy bed.

But everything came with a price and the billionaire wanted my virginity!

Note: This is a sexy, smutty romance that will make your cheeks burn and your panties melt. Guaranteed HEA. For a limited time, this edition includes the bonus novella Double Donkey.
